Why must visit this place?

Karimun Jawa National Park, located in the Java Sea, Indonesia, is a tropical paradise that encompasses the stunning Karimun Jawa archipelago. This national park is renowned for its breathtaking marine biodiversity, pristine white-sand beaches, and vibrant coral reefs. The park spans an area of approximately 1,500 square kilometers, comprising 27 islands, each offering a unique blend of natural wonders. With its crystal-clear turquoise water

Sarah

★★★★★

Nice hangout place with stunning sunset view | Dec 2022
The place gives stunning view of the sea and the horizon. Perfect stop to watch sunset.

John

★★★★★

Was very nice view | Oct 2022
The view from this place was gorgeous. They provided small restaurant and bar to chill and stores for souvenirs
